

About Mothership

Mothership is the most reliable, lightning-fast platform for Last-Mile logistics, a key \$1.55B segment of the supply chain. Backed by \$76M in funding from top investors, we're changing the game in Last-Mile delivery. Specializing in Same-Day and LTL shipments, we leverage cutting-edge technology to move 50,000+ shipments annually with unparalleled efficiency and reliability.

With advanced machine-learning algorithms, we optimize routes, predict delivery times, and offer competitive pricing, driving cost savings for businesses and higher earnings for drivers. Our offerings are not just faster but also more affordable and dependable, reshaping how efficient Last-Mile delivery can be.

Trusted by industry giants like DoorDash, Harbor Freight, and Everlane, Mothership is setting a new standard for business shipping by leveraging automation, an on-demand dashboard, and seamless API integrations to make same-day delivery a 1-click, seamless reality. Experience the future of same-day shipping with Mothership.
